SERIES PPT Passport

Passport

Bring Your World With You! Passport is your ticket to carefree and reliable cargo hauling that's easy on your wallet! It's a perfect fit for recreational and light duty commercial applications. Although classified as an "entry level" trailer, the Passport is loaded with quality features found on much more expensive trailers — features like tubular steel main rails, radial tires, 3/4" interior flooring and Starbright Stoneguard. The standard V-Nose is not only stylish, but improves handling and MPG. Whether you're moving a child off to college or protecting those garage sale bargains . . . count on Passport to deliver your valuables safe and secure to your final destination.
